

Donate and Recycle Your CRAP in Berks County and Beyond

When you are ready to let go of your CRAP (Clutter that Robs Anyone of Pleasure), there are plenty of people who could use your unneeded items. Many non-profits have a **wish list** of their current needs on their website. If you have any places to add or changes to this list, please let me know!

For more donation options worldwide, look for these handouts on my website: **Books and Sharing the Wealth and Recycle Your CRAP 101.**
